

**Rhode Island Reads**, the Campaign for third-grade reading, brings together people, organizations, businesses, and communities around the shared goal of doubling the number of 3rd graders reading on grade level by 2025, because the only way we will be successful is if we work together.

Led by United Way of Rhode Island and Rhode Island KIDS COUNT, the Campaign is working to:

- Improve School Readiness
- Reduce Summer Reading Loss
- Reduce Chronic Absenteeism
- Help Children Learn to Read

If your organization wants to join the Campaign and help communicate its goals, strategies and resources, please sign on as a partner so we can find ways to work together!
